Sydney Interactive Workshop and meetings for health professionals and patients

Waterview Sydney Olympic Park

Saturday 10th May 2025

Health Professionals Workshop Program

| 0900-0930 | REGISTRATION | | | |
|--|---|---|--|--|
| Plenary session 1. The Cross Disciplinary State of Play in Australia | | | | |
| Time | Chair: Matthew Silsby Topic | Speaker | | |
| 0930-0935 | Welcome | Fiona Kwok | | |
| 0935-0950 | Diagnosis and management of cardiac ATTR in Australia. <i>Micro clinical practice topic: Globalising the TTE (How to use the GLS).</i> | Paul Geenty | | |
| 0950-1005 | Nuclear scintigraphy in amyloidosis. <i>Micro clinical practice topic:</i> Scintillating insights (What to do with Perugini Gde 1 uptake) | David Farlow | | |
| 1005-1020 | Diagnosis and management of AL in Australia. <i>Micro clinical</i> practice topic: Shedding light on the SFLC (Red flags for the presence of an AL monoclonal free light chain) | Georgia McCaughan | | |
| 1020-1035 | Diagnosis and management of ATTRv with neuropathy in Australia. Micro clinical practice topic: Autonomically supporting your patients (Supportive care tips for autonomic neuropathy) | Antonia Carroll | | |
| 1035-1050 | The Genetic medicine of amyloidosis. Micro clinical practice topic: Counselling on pre-test counselling (Diagnostic vs predictive TTR genetic testing) | Alison McLean | | |
| 1050-1105 | Anatomical pathology and protein typing techniques. <i>Micro clinical practice topic: Don't completely disdain the stains (How to interpret immunohistochemistry reports)</i> | Meena Shingde | | |
| 1105-1120 | Common dilemmas for amyloid centres in Australia. <i>Algorithmic</i> pathways through the fibril forest | Liza Thomas, Kris Ma | | |
| 1120-1140 | Questions to Panel | Panel: Session 1 speakers | | |
| 1140-1210 | BRUNCH | | | |
| | Plenary session 2. Perspectives from International Amyloidosi Chair: Liza Thomas | s Experts | | |
| Time | Topic | Speaker | | |
| 1210-1215 | Introduction | Liza Thomas | | |
| 1215-1245 | How I manage cardiac ATTR | A/Prof Carol Whelan | | |
| 1245-1315 | How I manage AL | Prof Efstathios Kastritis | | |
| 1315-1335 | How I diagnose and manage ATTRv with Neuropathy | Prof Yoshiki Sekijima (Recording) | | |
| 1335-1350 | Q&A with Speakers | A/Prof Carol Whelan, Prof Efstathios Kastritis | | |
| Plenary session 3. Australian "Fundamental" Amyloid Research Chair: Joanne Reed | | | | |
| Time | Topic | Speaker | | |
| 1350-1355 | Dr Introduction | Joanne Reed | | |
| 1355-1420 | A showcase of amyloid "Basic" research projects from around Australia | | | |
| 1355-1401 | The gut-feelings explained: A triggering role of gut-bacteria in amyloidosis | Ibrahim Javed (online) | | |
| 1401-1407 | Injection of hope: Personalized mRNA vaccines for AL Amyloidosis | Muhammed Sabdia (online) | | |
| | | | | |
